

## YAGUM

## APPLICATIONS

- Transfer of water at up to 8 bar
- Drop-wise irrigation systems
- Drainage pumps
- Cable and sling covers

## CHARACTERISTICS

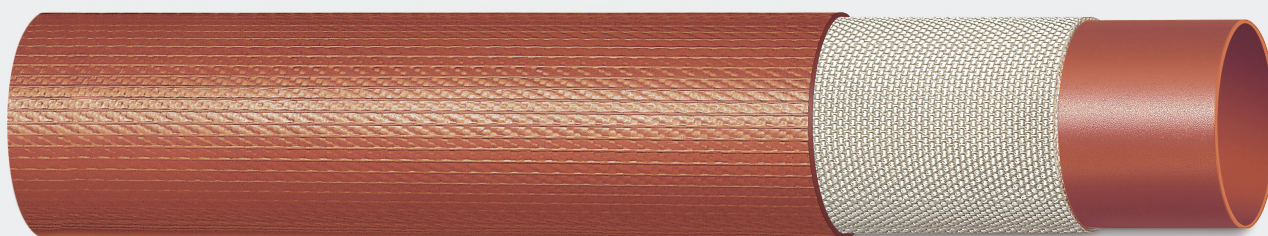

**Composition:** Synthetic rubber with woven polyester fabric.

**Characteristics:** Economical.

**Service Temperature:** >From -20 °C to + 80 °C

**Standard Length:** 30, 50 and 100 m.

**Identification:** Fine ribbed surface, smooth interior. Colour: Brown.

Code	Nominal diameter		Service/Bursting Pressure	Wall thickness	Maximum flow rate
	mm.	Inches
